Rete ferroviaria principale

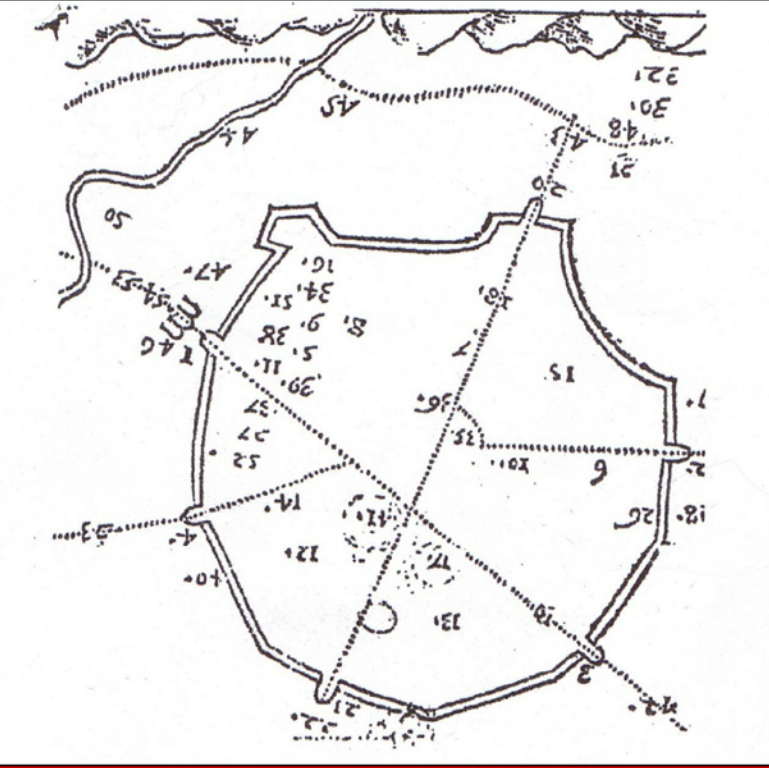

Centralità di I livello

Centralità di II livello

The main map displays the territory of Macerata Campania, highlighted in red with diagonal hatching. It is surrounded by various land use zones: green for ecological corridors, yellow for areas to be connected to the natural network, brown for degraded agricultural areas, orange for eco-compatible agricultural areas, and grey for highly degraded urbanization. The map also shows the main road network (thick black lines) and the main railway network (red dashed lines). Several municipalities are labeled, including Capua, San Prisco, Casagiove, Casapulla, Curti, Santa Maria Capua Vetere, Recale, San Nicola la Strada, Capodrise, San Marco Evangelista, Marcellino, Frignano, Casaluce, Teverola, Carinaro, Gricignano d'Aversa, Succivo, Orta d'Atella, Calvano, Aversa, and Santa Maria la Fossa. Three centralities are marked: a dark blue square for the first-level centrality (Aversa), a purple square for the second-level centrality (Curti), and another dark blue square for the first-level centrality (Casagiove).
